What is it?

People with disabilities who live in the Munich city area and cannot visit the nearest district library, or can only do so with difficulty, are regularly visited by the library service team in their homes. The specialist staff provide personal advice, deliver the desired media and pick them up again at the end of the loan period.

Registration:

To make an appointment, please call 089 233 89 13 3 or send an e-mail to medienmobil@muenchen.de.

You can register informally on the first visit by the Door-to-Door Library Service Team.

You can borrow all media for 6 weeks each. The service of the Door-to-Door Library Service is free of charge.

Hospital Libraries

There are libraries in five Munich hospitals. They can be used by all patients and staff without a registration fee. On request, our colleagues will bring media to the patients on the ward, just give us a call.
